The Ridge at Harmony Road Metropolitan District No. 2 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act and was formed in February 2015. Along with its companion Districts No. 4 (“Service District”) and No. 1 and 3 (“Financing Districts”) this Financing District was organized to provide financing for the design, acquisition, construction and installation of public improvements, facilities and services. The public improvements to be provided by the Districts are proposed to include the types of facilities and improvements for a non-potable water system, streets and roadways, street landscaping, signage, monuments, and lighting, safety protection, park and recreation, sanitation and storm drainage, water improvements and other related improvements and their operation and maintenance.

The District has no employees at this time and all operations and administrative functions are contracted.
